

Directions by car

If you follow our instructions, you'll reach our hotel quite easily. From either the Motorway **A12** or the **A11**, your exit is **Pisa Nord**

From there you have one possibility to reach us:

VIA CONTESSA MATILDE

1

from Via Contessa Matilde

As soon as you reach Via Contessa Matilde, you can **enter** the historical centre through the Porta di SAN RANIERINO (San Ranierino's Gate). This access is controlled by a video camera and you are **ALLOWED** to enter in order to reach our hotel. We will then take care of communicating your plate number to the Traffic Police Headquarters so as to confirm your permission to enter in the Northern Traffic Restricted Area (ZTL NORD).

Porta di San Ranierino (San Ranierino's Gate)

You'll find yourself in the one-way street **VIA CARDINALE MAFFI**, and, almost at the end of this street, you need to **turn right** into **Via SAN TOMMASO**

Per via San Tommaso

Via San Tommaso

This street will lead you to compulsorily turn left into **VIA CAPPONI**, from where you'll end up in **VIA SAN GIUSEPPE**

Via San Giuseppe and then Via S. Apollonia

Drive along this one-way street until its end, and, after about 300 meters (about 1000 feet), by turning right, you'll be in **Via S. Apollonia**. Drive only a few meters farther and you've **reached the hotel!**
